Re: Jay Marcus v. Marie Micheline Lominy and Pediatric Adolescent Medicine LLC
S.D.N.Y. Civil Action No.: 18-CV-1857 (NSR) (LMS)

Dear Judge Roman:

We represent the Defendants, Marie Michelle Lominy and Pediatric Adolescent Medicine, LLC and write, with the consent of plaintiff, to request an adjournment of the current briefing schedule in place with respect to the motion and cross-motion for summary judgment. Defendants request this adjournment as a result of difficulties encountered in connection with the COVID-19 pandemic, resulting in delays. Defendants have not previously requested an adjournment.

The parties agreed to the following proposed revised briefing schedule (initial due date indicated in parentheses):

Defendants' opposition and cross-motion for summary judgment papers to be served August 6, 2020 (July 13, 2020)

Plaintiff's reply and cross-opposition papers to be served September 21, 2020 (August 27, 2020)

Defendants' cross cross-reply papers to be served October 5, 2020 (September 11, 2020)

Respectfully submitted,
